**We are licensed builders and can do the whole job**

**We provide a fast and friendly service – No job is too small or large**

**As shareholders of Plumbing World, we have access to plumbing supplies at excellent prices**

**We are the only plumber/drain layers in Coromandel with our own diggers and trucks**

**As you can see from the above, we offer a wide range of services**

**Project management – we'll organize the whole job**

**Please feel free to give us a call if you require any further assistance**
